A STUDY FINANCIAL ASSISTANCE OF SFC TO MSMEs IN TELANGANA STATE

Dr. P. DIVAKARA RAO

Lecturer in Commerce, GDC, Perumallapuram, Kakinada Dt. AP

ABSTRACT

MSMEs is one of the fastest growing sector and playing pivotal role in Indian economic development. But it faces significant environmental and social challenges in financial assistance from government and financial institutions/corporations. These businesses are characterized by their relatively small size, limited capital investment, and a focus on local or niche markets. The role and importance of MSMEs are multifaceted and have far-reaching implications for both the economy and society. MSME Gross Value Added (GVA) in all India Gross Domestic Product (GDP) during the year 2019-20, 2020-21 and 2021-22 was 30.5%, 27.2% and 29.2% respectively. The share of MSME manufacturing output in all India Manufacturing output during the year 2019-20, 2020-21 and 2021-22 was 36.6%, 36.9% and 36.2% respectively. The total number of persons employed in MSMEs which were registered from 01.07.2020 to 01.08.2023 in India was 12, 36, 15,681 crore. Therefore, they are crucial for the overall economic development of India.

Finance is a prerequisite to mobilize real resources for organizing production. In a developing economy, however, lack of finance is not the only deterrent to economic development. Even when finance is available, other important factors like imperfections in the information flow and dearth of entrepreneurship may come in the way of industrial and economic development. Hence, Present study is concerned with only financial assistance of entrepreneurial engaged in MSMEs sector of sustainable development of Telangana state (Khammam, Karimnagar and Warangal districts.) The study is based on primary and secondary data. Primary collected from 200 entrepreneurs of these three districts. The study reveals that the entrepreneurs have finance and infrastructure and how they are getting financial assistance from state financial corporation in Telangana state. Keywords: MSMEs sector, , Sanction of loans by TSFC, and Government support to MSMEs in Telangana Districts.

1.1.INTRODUCTION

Entrepreneurs/ Enterprises are the economic organ to develop industrialisation in rural and urban areas. MSMEs create economic development and produce the goods and services to the society, He creates new employment and business and takes different developments in rural, urban and towns. They are timely adopting the new technology give the more computation to global markets. He has new vision and creates products, new opportunities to the society. Enterprises and enterprisers are the creator, innovator, motivator, leader and economist. He removes the industrial disparities between rural, urban and industrial estate in the country. MSME¹ Gross Value Added (GVA) in all India Gross Domestic Product (GDP) during the year 2019-20, 2020-21 and 2021-22 was 30.5%, 27.2% and 29.2% respectively. The share of MSME manufacturing output in all India Manufacturing output during the year 2019-20, 2020-21 and 2021-22 was 36.6%, 36.9% and 36.2% respectively. The² total number of persons employed in MSMEs which were registered from 01.07.2020 to 01.08.2023 in India was 12,36,15,681 crore The jobs mainly belong to the

SOLUTIONS OF LINEAR DIOPHANTINE EQUATION IN TWO VARIABLES & THREE VARIABLES

P. MAHALAKSHMI NAIDU

Lecturer in Mathematics,
Government Degree College, K. Perumallapuram,
Kakinada District

Introduction

Numbers have fascinated mathematicians for millennia, holding secrets that unlock a world of relationships and patterns. This project delves into three fundamental concepts that have been instrumental in unraveling these mysteries: Greatest Common Divisor (GCD), Diophantine Equations, and their solutions.

Our journey begins with the concept of GCD, a cornerstone of number theory. Its origins can be traced back to ancient civilizations like the Babylonians and Greeks, who intuitively grasped the importance of finding the largest number that divides two integers evenly. The Euclidean Algorithm, developed by the brilliant Greek mathematician Euclid around 300 BC, provides a systematic and efficient method to calculate the GCD. This elegant algorithm, still used today, lays the foundation for our further exploration.

Next, we encounter Diophantine Equations, named after the 3rd-century Greek mathematician Diophantus. These equations challenge us to find integer solutions (x , y , and potentially z) that satisfy a specific linear relationship. For instance, the equation $ax + by = c$ asks for integer values of x and y that, when multiplied by coefficients a and b and added together, result in the integer c . The resolution of these equations not only requires an understanding of GCD but also reveals fascinating connections between divisibility and integer solutions.

Finally, we extend our investigation to three-variable Diophantine Equations of the form $ax + by + cz = k$ and furthermore the case of n variables. Building upon the knowledge gained from two-variable equations and GCD, we explore the existence and methods for finding solutions in this more complex setting.

The Greatest Common Divisor

Preliminaries

Definition: An integer b is divisible by an integer $a \neq 0$ if there exist some integer c such that $b = ac$ represented by $a|b$. If b is not divisible by a then it is represented by $a \nmid b$.

SCHEMES AND POLICIES OF SFC TO PROMOTING MSMES IN TELANGANA STATE

Dr. P. DIVAKARA RAO

Lecturer in Commerce, GDC, Perumallapuram, Kakimada Dt. AP

ABSTRACT

The Micro, Small and Medium Enterprises (MSME) sector has emerged as a vibrant and dynamic sector of the Indian economy. MSMEs play crucial role in providing large employment opportunities at comparatively lower cost than large industries. MSMEs are complementary to large industries as ancillary units and this sector contributes significantly to the socio-economic development of the country. In this context institutional finance is major player in the implementation of industrial development schemes in this connection state financial corporation providing financial assistance as well as implementing different schemes for growing up of MSMEs in the state.

Key words : MSMEs, SFC assistance and schemes of entrepreneurs

Introduction

The Micro, Small and Medium Enterprises (MSME) sector has emerged as a vibrant and dynamic sector of the Indian economy. MSMEs play crucial role in providing large employment opportunities at comparatively lower cost than large industries. MSMEs are complementary to large industries as ancillary units and this sector contributes significantly to the socio-economic development of the country

New Definition of MSMEs

At present, the Micro, Small & Medium Enterprises Development (MSMED) Act 2006 (Section 7) classifies the Micro, Small and Medium Enterprises (MSMEs) on the basis of investment in plant and machinery for manufacturing units, and investment in equipment for service enterprises. In February 2018, the Union Cabinet had approved changes in the basis of classifying Micro, Small and Medium enterprises from 'investment in plant & machinery/equipment' to 'annual turnover'. The objective of the change is to encourage ease of doing business, collection make the norms of classification growth oriented.

Contribution of MSMEs in Indian Economy

As per the 73rd round of National Sample Survey (NSS) 2015-16, there were 633.88 lakh unincorporated non-agriculture MSMEs in the country engaged in different economic activities (196.65 lakh in Manufacturing, 0.03 lakh in Non-captive Electricity Generation and Transmission, 230.35 lakh in Trade and 206.85 lakh in other Services) excluding the MSMEs registered under (a) Sections 2m(i) and 2m(ii) of 2 the Factories Act, 1984, (b) Companies Act, 1956 and (c) Construction activities falling under F Section of National Industrial Classification (NIC) 2008 and provides employment to over 1109.89 lakh persons. The contribution of MSME sector India's Gross Value Added (GVA) and Gross Domestic Product are 31.83 per cent and 28.90 per cent respectively during 2016-17. The MSME sector has the potential to spread industrial growth across the country and can be a major partner in the process of inclusive growth.

Employment generation/ Job generation in MSME sector cuts across different Ministries of the Government of India. Various Ministries are implementing Schemes leading to job creation in their respective verticals. The Ministry of Micro, Small and Medium Enterprises, being nodal Ministry for MSME, envisions a vibrant MSME sector by promoting growth and development of the sector, including Khadi, Village and Coir Industries, in cooperation with concerned Ministries/Departments, State Governments and other stakeholders, by providing support to existing enterprises and creation of new enterprises.

12. Extension activities (Current year):

- a) No. of Extension activities in the Neighborhood for social and holistic development:
02

1.TEACHERSDAYCELEBRATIONS

Teacher's day is celebrated in India on the 5th of September every year. It is celebrated college students in GDC, K. Perumallapuram to mark the birth anniversary of Dr. Sarvepalli Radhakrishna who was the second President of India. On this occasion our college principal spoke on role of teacher on shaping the student career and educate them. Also remained about the achievements and efforts of great teacher Dr. Sarvepalli Radhakrishna towards the transformation of society. On this day faculty members of all departments conveyed teachers day wishes to our college principal later on felicitated him. Teaching, non-teaching and students were participated to this programme.

2.OzoneDay-2023:

World ozone day observed on 16th September of every year to commemorates the montreal protocol adaption in 1987 and to raise awareness about ozone depletion and environmental impact. The theme of world ozone day 2023 is Montreal Protocol: Fixing the ozone layer and reducing the climate change. This programme is organised by department of chemistry under the chairmanship of college principal with the participation of other faculty members, non-teaching staff and students.

3. **NationalNSSDayCelebrations:**

NSS Day was conducted in our college on 24th September principal as president of this program. Nearly 60 students, Vice principal Dr.P. Divakara Rao as well 10 lecturers were participated in the Program. Principal was given the speech about Service towards society by NSS volunteers. NSS Programme officer T.Ramu given information regarding Importance

4. **Deekshambaprogramme:**

“Deeksharmba” programme was observed here on 26-10-2023 at our college. B.Seethupathirao came here as a chief guest and said that students can climb higher positions through education and moral values. Also along with students study, continuous hard work, initiation, perseverance is necessary along with increased awareness on values and good behaviour. This programme was organised by college Principal Dr.M.V.K. Mehar. Vice Principal Diwakar rao along with all other faculty members honoured chief guest.

5 .SWACHHATAHISEVAANDGANDHIJAYANTHI:

Theme: Garbage free India

Swachhata Hi Seva (SHS) campaign is initiated by the Indian government to disseminate the importance of a Sampoorana swachh village; to reinforce the concept of sanitation as everyone's business. This programme was organized at our college-by-college NSS unit. One hour of Shramdaan for Swachhata was conducted at college campus and later on rally was took place in surrounding villages. Nearly 50 volunteers and 10 staff were attended this programme.

Gandhi Jayanti was conducted on October 2nd by NSS Unit in the college campus. Nearly 30 students and 7 Staff members including Principal Dr.M.V.K.Mehar and NSS PO T.Ramu

6. VARADHIPROGRAMME:

Varadhiprogramme was conducted at our college on 5th October 2023 by Thondangi police department with the help of college NSS Unit. Sub inspector Sri. Venkateswara Rao garu invited as a chief guest and explained about cybercrime, anti-drugs and the awareness on usage of social media. Nearly 120 students and 15 Staff were participated

7. INTERNATIONAL GIRL CHILD DAY

Theme: Invest in girls rights

International Girl child was conducted at our college on October 11th by college NSS Unit with the help of Gaddipeta medical staff and Aganwadi staff to address the challenges girls face and to promote girls empowerment and fulfilment of their human rights. Head nurse Smt.S.Manga Devi , A.Anusha, Lovaraju was attended this program and Explained about the food nutrition, importance of girl Education, Women Empowerment and Girl protection Acts. College teaching, non-teaching staff and students participated to this programme.

8.RJD VISIT:

By the direction of Commissionerate of Collegiate Education our RJD Dr.Ch. Krishna visited our college on 16th October 2023 to review the activities of the college. On this day RJD sir verified the various things like OTLP, CIA, F-MAP, College web site data, Library, APFRS, Jnanabhumi attendance of the students and many other files related to smooth running of the college. Sir suggested many things related to college and students developments.

9. CYBERSMARTPROGRAMME:

An awareness programme was conducted on cyber smart by department of computer application on 17-10-2023 according to the guidelines provided by the Commissionerate of collegiate education to enhance awareness on cyber security. On this programme college principal spoke about how the peoples may get cheated by different types of cyber-attacks and how we need to be secure in this smart world. Faculty members of all the departments, non teaching staff and students participated to this programme.

10. NATIONALUNITYDAY:

THEME: The Unity in diversity is better than unity in similarities.

National Unity Day also called **Rastriya ektadiwas-2023** was observed here on 31 October 2023 to commemorate the Birth anniversary of first Deputy Prime Minister and Home Minister of India Sardar Vallabhai Patel. This day was introduced by Prime Minister Sri Narendra Modi in 2014 with the theme of Run for Unity. Observing this day in the college provides awareness to the students on strength and resilience for the nation to hold onto unity, integrity and security. On this day college vice principal talk on importance of unity and integrity before the students. Unity day pledge presented by college science section in charge. College teaching, non-teaching and students were attended to this programme.

11. NAS Training Programme:

National Achievement Survey (NAS) 2023 training conducted by Thondangi Mandal Education office A.V.Subbireddi at SVVSSDS High school, Annavaram on 30th October in collaboration with our college NSS team and also Examination was conducted on 3rd

November in 43 schools in all over Thondangi Mandal . 53 NSS volunteers from our college were participated in this Survey Examination.

అపరిచిత వ్యక్తులతో అప్రమత్తంగా ఉండాలి

తొండంగి: అపరిచిత వ్యక్తుల పట్ల ప్రతి ఒక్కరూ అప్రమత్తంగా ఉండాలని ఎన్నై వెంకటేశ్వరరావు విద్యార్థులకు సూచించారు. మండలంలోని పెరుమాళ్ళపురం ప్రభుత్వ డిగ్రీ కళాశాలలో వారధి కార్యక్రమంలో భాగంగా గురువారం సైబర్ నేరాలు, యాంటి డ్రగ్స్ తదితర వాటిపై విద్యార్థులకు అవగాహన కల్పించారు. పరిచయం లేని వ్యక్తులతో ఫేస్ బుక్, వాట్సాప్ లో చాటింగ్ చేయకూడదన్నారు. ప్రిన్సిపల్ మెహర్, ఇతర అధ్యాపకులు పాల్గొన్నారు.

34.CCE- WORKSHOP ON AI TOOLS-2024:

On 1st February 2024, the Government of Andhra Pradesh's Commissionerate of Collegiate Education organized a one-day online workshop on AI tools in teaching, learning, and evaluation for lecturers from government degree colleges. The workshop aimed to enhance the faculty's understanding and integration of AI technologies in educational settings. Dr. Pola Bhaskar served as the Chief Patron, while Dr. K. Samuel and Dr. N. Anupama were the resource persons, sharing their expertise and insights on the subject. Faculty members from Government Degree College, K. Perumallapuram, actively participated in the workshop and gained valuable knowledge on implementing AI tools to improve their teaching methodologies and evaluation processes. This initiative significantly enriched the participants' pedagogical skills, preparing them to adopt innovative AI solutions to enhance student learning outcomes and streamline administrative tasks. The workshop was a significant step towards modernizing education in Andhra Pradesh's government colleges.

The poster is for an online workshop organized by the Government of Andhra Pradesh, Commissionerate of Collegiate Education. It features a blue and white color scheme with a network of dots and lines in the background. At the top, there are three circular logos: the Government of Andhra Pradesh emblem, the Commissionerate of Collegiate Education logo, and the Government Degree College K. Perumallapuram logo. Below the logos, the text reads "GOVERNMENT OF ANDHRA PRADESH" and "COMMISSIONERATE OF COLLEGIATE EDUCATION". The main title is "ONLINE WORKSHOP ON AI TOOLS IN TEACHING, LEARNING & EVALUATION". Below the title, it says "For the Lecturers working in Government Degree Colleges on". The date "1st February 2024" is displayed in a green oval at the bottom. On the left side, there are three circular portraits of the resource persons: Dr. Pola Bhaskar, IAS, Commissioner, CCE AP, Chief Patron; Dr. K. Samuel Johnson, Assistant Director, Centre for Teaching & Learning, VIT, AP; and Dr. N. Anupama, Associate Professor, School of Engineering, JNU, New Delhi.

35..Admission Campaigning:

To boost admissions at Government Degree College, K. Perumallapuram, an intensive admission campaign was conducted in surrounding junior colleges and neighboring villages. The campaign aimed to raise awareness about the college's academic programs, facilities, and opportunities. Faculty and staff actively engaged with prospective students and their families, highlighting the benefits of enrolling in the college. Information sessions, distribution of promotional materials, and interactive discussions were held to address queries and encourage applications. This proactive approach significantly increased community interest and resulted in a higher admission rate, strengthening the college's presence and reputation in the region.

36. VOTERS AWARENESS PROGRAMME:

On 10th February, Government Degree College, K. Perumallapuram, hosted a Voter Awareness Programme aimed at educating students and staff about the importance of voting. The college Principal, Dr. MVK Mehar, was the keynote speaker. Dr. Mehar delivered an inspiring speech on the significance of voting in a democratic society, emphasizing the power each vote holds in shaping the future. He also provided practical guidance on how to register as a new voter, detailing the steps and necessary documentation. The session was well-received, with attendees gaining a deeper understanding of their civic responsibilities and the electoral process.

37.INTERNATIONAL MOTHER LANGUAGE DAY-2024:

On 21st February 2024, Government Degree College, K. Perumallapuram, celebrated International Mother Language Day, organized by the Department of Telugu. The event emphasized the importance of preserving and promoting linguistic diversity. The college principal delivered an insightful speech highlighting the intrinsic value of one's mother language, emphasizing its role in shaping cultural identity and heritage. He stressed the need for students to take pride in their native languages while also embracing multilingualism. The principal's address resonated with the audience, underscoring the significance of mother languages in fostering a sense of belonging and continuity within communities.

38.ScienceDayCelebrations-2024:

On 28th February 2024, Government Degree College, K. Perumallapuram, celebrated Science Day with a series of engaging events aimed at fostering scientific curiosity and knowledge among students. The celebrations featured essay writing and quiz competitions, which saw enthusiastic participation from degree students, Gaddipeta High School students, and KGBV Girls School students. These activities were designed to empower students and inculcate a scientific temper, encouraging them to explore and appreciate the wonders of science.

The highlight of the day was the presence of Sri Yalla Siva Prasad, a former scientist at ISRO, who was invited as the chief guest. Sri Siva Prasad delivered an inspiring speech on India's ambitious Chandrayaan-3 mission. He detailed the mission's objectives, challenges, and achievements, providing insights into the intricate processes involved in lunar exploration. His address not only highlighted the technological advancements made by ISRO but also emphasized the importance of perseverance, innovation, and scientific inquiry.

Sri Siva Prasad's speech captivated the audience, particularly the young students, who were motivated by his journey and experiences at ISRO. The event concluded with a question-and-answer session, where students eagerly interacted with the chief guest, further enriching their understanding of space science and research. Overall, the Science Day celebrations were a resounding success, inspiring students to pursue scientific endeavors and contribute to the nation's scientific progress.
